DATE

PLEASE MAKE ALL CHECKS PAYABLE TO: "NEW YORK BOARD OF FIRE UNDERWRITERS/ELECTRICAL INSPECTORS, INC."

Returned checks will automatically VOID any certificate issued. In addition to submission of an NOV to the municipality. You may be responsible for twice the face value as required by state law.

AN ELECTRICAL SURVEY CONSISTS OF A VISUAL EXAMINATION OF THE PREMISES ONLY: ELECTRICAL INSPECTORS INC. WILL COMPLY WITH THE REQUIREMENTS OF NEW YORK STATE PROPERTY MAINTENANCE CODE (PMCNY), IF VIOLATIONS EXIST, A NOTICE OF VIOLATION (NOV) WILL BE ISSUED REQUIRING CORRECTION BY A LICENSED ELECTRICAL CONTRACTOR. AFTER THE VIOLATION HAS BEEN CORRECTED, A RE-INSPECTION WILL BE CONDUCTED AT ADDITIONAL COST AND IF APPROVED, A CERTIFICATE SHALL BE ISSUED.

1. **The New York Board of Fire Underwriters** and its parent company **Electrical Inspectors, Inc. (NYBFU/EII)** is fully operational and functional and performs electrical inspections as it always has.

2. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** only recognizes the National Electric Code, the Building Codes of New York State all volumes and Local Municipal Codes, as authorized by The Department of State Codes Division, via Village, Town or City Board Resolution.

3. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** inspects properties for compliance with the Building Code of the State of New York, counties and local electrical codes, as well as the promulgated NEC (National Electrical Code).

4. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** is not responsible for the existing conditions located at the subject premises.

5. **AN ELECTRICAL SURVEY** consists of a visual examination of the premises **ONLY**. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** will comply with the requirements of the New York State Property Maintenance Code (PMCNYS) latest edition. If violations exist, a Notice Of Violation (NOV) will be issued requiring corrections by a licensed electrical contractor. After the violation has been corrected, a re-inspection will be conducted and if approved, a certificate shall be issued.

6. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** is not responsible for corrections, upgrading or replacement of existing electrical violations at the subject premises. Any corrective work shall be solely the responsibility of the property owner. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII) DOES NOT WARRANTY OR UNDERWRITE THE ELECTRICAL CONDITIONS AT THE PREMISES.**

7. **A SURVEY CERTIFICATE** does not examine the actual wiring or devices unless all walls are opened and wires and devices are exposed prior to the survey being conducted.

8. **AN ELECTRICAL INSPECTION** consists of an examination of wiring and installations during the rough stages of construction. After completion of the construction a final inspection will be conducted at which time a certificate will be issued provided no violation exists. In the event an inspection is not requested during the rough stages of construction **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** will perform a **CLOSED WALL SURVEY** that consists of a visual inspection of the wiring and installations only since access is limited. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** shall bear no responsibility for any defects or violations at the premises.

9. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** assumes no liability for the results of its inspections.

10. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** shall not be responsible to remove any walls in order to conduct an electrical inspection.

11. **AN ELECTRICAL CLOSED WALL INSPECTION** consists of a visual examination of the area requested **ONLY**: **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** will comply with the requirements of New York State Property Maintenance Code (PMCNYS) latest edition. If violations exist, a Notice of Violation (NOV) will be issued requiring corrections by a licensed electrical contractor. After the violation has been corrected, a re-inspection will be conducted and if approved a certificate shall be issued.

12. **New York Board of Fire Underwriters/Electrical Inspectors, Inc (NYBFU/EII)** will only release information, certificates and reports to the applicant after payment for services rendered have been paid in full.

13. **THE AGREEMENT** may not be changed orally.

14. **A CERTIFICATE** is non transferable.
